

The Shower  
Tray Collection

CE  
COMPLIANT  
CLASS 1

# Renaissance stone resin shower trays

Renaissance have been manufacturing Acrylic baths and Stone resin ABS Acrylic trays for many years. Our internal engineering division has designed and produced what you will find in this shower tray collection, from our EMERALD single skin range to the latest SLIMLINE 25mm range. Each individual collection has had precise engineering input and is manufactured in a state of the art production facility with high automation and exacting standards.

This latest brochure shows the designs and sizes that have evolved over the years offering you the designs and dimensions to fit all installation possibilities. All of them come with our TEN year manufacturers warranty and are all manufactured to CE (class1 compliant).

Only your eye is good enough.  
We hope you will find what you like  
and like what you find.

MANUFACTURERS OF QUALITY ACRYLIC BATHS, AIRSPA'S,  
SHOWER TRAYS & EASY ACCESS BATHS

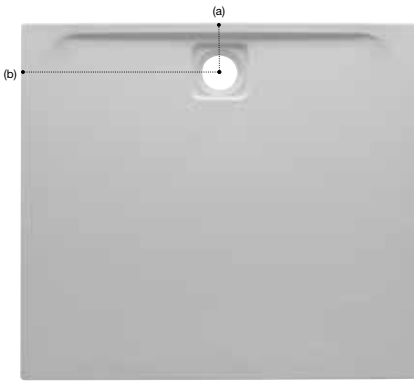

# Slimline 25mm Double skinned Tray

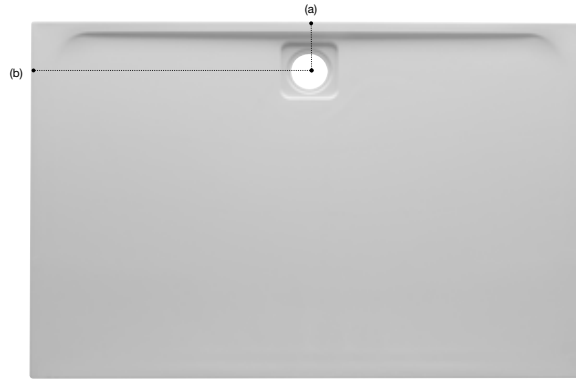

Renaissance Slimline Shower Tray range incorporates functional design with innovative production technology

- Double skinned technology has ABS forming on front and rear of the shower tray for extra rigidity.
- ACRYLIC CAPPED ABS for strength and rigidity - Precision mouldings encapsulate a highly rigid polyconcrete substrate to produce a highly engineered composite tray.
- High Gloss Acrylic surface with Anti-Bacterial hygienic properties
- EN14527:2006 Class 1 Compliant
- EN 15720:2009 Compliant
- 90mm Waste Outlet
- Can be fitted flat to floor or adapted to be level entry with no step
- Modern square chrome flush fitting waste cover
- Minimalist Design
- 10 YEAR GUARANTEE

# Blu-Gem Shower Trays

Our range of Blu-Gem shower trays exists of all popular sizes and is produced using our double skinned technology. With its identifiable Blue underneath ABS sheet which encapsulates the polyconcrete structure making this shower tray range one of the most robust shower tray ranges available.

- Twin Skinned for strength and rigidity – Precision mouldings front and rear encapsulate a highly rigid polyconcrete substrate to produce a highly engineered composite tray.
- 30% lighter than Standard Resin Trays
- High Gloss Acrylic surface with Anti-Bacterial hygienic properties.
- EN14527:2006 Class 1 Compliant
- EN 15720:2009 Compliant.
- 90mm Waste Outlet
- Can be fitted flat to floor or with Easy Fit Riser Kit option.
- Riser Kit incorporates specifically moulded sockets for accurate and reliable leg location. Easy assembly design ensures completion in minutes.
- Guarantee 10 Year
- Minimalist design only 45mm high (Nominal)
